

Tiffany Shlain incribes a massive tree trunk for her PST exhibition with Ken Goldberg at the Skirball. (Stefanie Schwartz)

Skirball Cultural Center, 'Ancient Wisdom for a Future Ecology: Trees, Time, and Technology'

By **CARREN JAO**

Oct. 17 to March 2, 2025

Artists Ken Goldberg and Tiffany Shlain harness the beauty and power of trees through tree-ring sculptures — two of which are inscribed with milestones in L.A. history. Visitors can also pay homage to the special trees in their lives by submitting information online, which will be turned into tributes by the artists using AI.
